

# The State of Men

## Men in America

- 130,000,000 men in America
- 90,000,000 attend church no more than once a month
- Men between the ages of 27-45:
  - 4% are currently at their religious peak
  - 85% are at least 5 years removed from their religious peak
  - 79% are at least 10 years removed from their religious peak

## The Family

- 35-40% of first marriages end in divorce
- 4 out of 10 babies are born out of wedlock
- 24-33% of children will go to bed without their biological father in the home
- Who comes from a home with NO father?
  - 90% of Runaways
  - 85% of Inmates
  - 71% of Dropouts

## For Every 10 Men in the Church

- 9 will have at least 1 child that will leave the church
- 8 will not find their jobs satisfying
- 6 will pay only the monthly minimum on credit cards
- 5 will have a MAJOR problem with pornography
- 4 will get divorced, affecting 1,000,000+ children each year
- Only 1 will have a Biblical worldview
- All 10 will struggle to balance family and work

“Regardless of the mess you're in and no matter how you found yourself in that situation, the only solution is to disciple your way out.”

— Patrick Morley
